ABOUT US

Minds in Motion Foundation is a pioneering organization dedicated to fostering educational excellence and innovation. Established with the vision of creating a dynamic platform for learning, the Foundation is committed to nurturing the intellectual and creative potential of students, educators, and communities.

One of our flagship events, the **Aurangabad Education Expo**, is held annually at the end of the year. This expo has grown to become a landmark event, attracting thousands of participants and exhibitors from diverse educational fields. It serves as a confluence of ideas, innovations, and opportunities, providing a unique platform for students, educators, and industry experts to engage, learn, and grow.

MISSION

Our mission is to inspire and empower individuals through education by creating platforms that foster knowledge sharing, innovation, and collaboration. We strive to enhance the quality of education, promote lifelong learning, and ensure that every individual has the opportunity to realize their potential.

VISION

Our vision is to be a catalyst for educational transformation, where learning transcends traditional boundaries, and every learner is equipped with the skills and knowledge to thrive in a rapidly changing world. We envision a future where education is accessible, inclusive, and instrumental in building a better, more equitable society.

Building on its rich legacy, Education Expo 2024 stood as a beacon of innovation, learning, and community engagement in Aurangabad, evolving from the powerful foundations laid in 2022 and 2023.

Closing Ceremony: Felicitation of supporters and impactful speeches by city and state educational leaders.

Our Vision for 2025

Education Expo, organized by the **Minds in Motion Foundation**, envisions turning Aurangabad into a dynamic learning city where education transcends classrooms and directly contributes to shaping a better society. Building on the foundational theme of “**Education for All**” in **Education Expo 2022**, which focused on inclusion and universal access, followed by “**Igniting Talent Through Healthy Competition**” in **Education Expo 2023**, which celebrated creativity, student expression, and academic engagement, and “**Empowering Minds, Building Futures: A Call to End Educational Dropout**” in **Education Expo 2024**, which brought urgent attention to student retention and long-term success—the Expo continues to evolve as a mission-driven movement for holistic educational reform. This year, in **Education Expo 2025** aims to bridge the gap between academic learning and civic responsibility,

equipping students to understand real-world challenges and become agents of positive change. A key feature is the **Civic Awareness Campaign – My City, My Vision**, through which students will investigate local issues, propose innovative solutions, and engage with subject experts and mentors to turn their ideas into action. The Expo encourages students to apply their learning **from classrooms to the real world**, fostering deeper understanding and civic engagement. It also embraces the global agenda by aligning with the **United Nations Sustainable Development Goals**, particularly **Goal 4 (Quality Education)** and **Goal 16 (Peace, Justice & Strong Institutions)**. Through inclusive participation, theme-based activities, and city-wide collaboration, **Education Expo** strives to nurture a generation of thoughtful, empowered, and socially conscious learners ready to shape the future.

DIRECTOR MESSAGE

MINDS IN MOTION FOUNDATION

Dear Friends and Supporters,

As the Director of Minds in Motion Foundation, I am proud to share our impactful journey in transforming education in Aurangabad. Our mission is to eliminate barriers to quality education for all students, regardless of socio-economic background. We aim to foster a future where every child can thrive academically and become a positive force in their community.

Our foundation is dedicated to creating a dynamic educational ecosystem that supports both students and educators. We achieve this through innovative learning methods and initiatives aimed at underprivileged students.

Building on the success of the Education Expos in 2022 and 2023, where we saw unprecedented participation and enthusiasm, we are excited to announce the Aurangabad Education Expo 2024, themed "Educate, Empower, Elevate." These past events have significantly showcased student talents and achievements, and this year's event will include workshops, seminars, and competitions, promoting collaboration and educational excellence.

I extend my heartfelt gratitude to all participants, sponsors, and volunteers for their dedication and support. Together, we can ensure every student has the opportunity to learn, grow, and thrive.

URDU BOOK FAIR

AURANGABAD EDUCATION EXPO-2022 / 23

National Urdu Book Fair was a highlight of the **Aurangabad Education Expo**, attracting over **250,000 visitors** and achieving significant success with the sale of more than 55 lakh Urdu books. This fair showcased a vast collection of Urdu literature, including educational resources, children's books, and Islamic literature, catering to diverse reading interests. It served as a hub for authors, publishers, and book enthusiasts to connect, promoting literacy and cultural appreciation. The fair provided a unique opportunity for attendees to develop their reading habits, discover new authors, and engage in the literary richness of the Urdu language.

HOUSE OF WISDOM

AURANGABAD EDUCATION EXPO-2022 / 23

The House of Wisdom at the **Aurangabad Education Expo** was an exclusive, invitation-only program designed to address the evolving needs of education in the 21st century. Esteemed educators, scholars, and thought leaders engaged in in-depth discussions on topics such as the future of learning, essential skills for students, and the integration of traditional and contemporary educational methods. This program featured panel discussions, debates, and interactive sessions, providing a comprehensive platform for exploring innovative educational strategies and fostering intellectual growth among attendees.

IRC QURAN & MODERN SCIENCE **EXHIBITION** AURANGABAD EDUCATION EXPO-2022 / 23

IRC's Quran and Modern Science Exhibition was a standout feature of the **Aurangabad Education Expo**, demonstrating the harmony between religious teachings and scientific discoveries. This exhibition highlighted the contributions of Islamic scholars to science and technology, showcasing various scientific phenomena mentioned in the Quran. Through interactive displays and informative panels, visitors gained insights into the profound connection between faith and science, fostering a deeper understanding and appreciation of both fields. The exhibition was a significant educational experience, bridging the gap between traditional knowledge and modern scientific thought.

The expo commenced with the inauguration of the **National Book Fair**, part of the Urdu Kitab Mela. The ceremony featured speeches from *Maulana Huzaifa Vastanvi* and other dignitaries, setting an inspirational tone. The **Bain-ul-Makaatib Taqreeri w Qirat Competitions** celebrated student talents in oration and recitation. A significant session on 21st-century skills, featuring panelists like *Adv. Faiz Syed*, discussed essential competencies for the modern world. The **Expo Inauguration Ceremony** concluded the day, with high community turnout, highlighting the event's significance.

INTRODUCTION TO EDUCATION EXPO 2024

The **Aurangabad Education Expo 2024**, hosted by **Minds in Motion Foundation**, stands as a flagship event designed to inspire, connect, and empower the educational community. Scheduled from **December 15 to 22**, this immersive, week-long Expo will transform Aurangabad into a vibrant hub of knowledge, innovation, and collaborative spirit, welcoming thousands of students, educators, administrators, & industry professionals from across the region & beyond.

This year's Expo is thoughtfully curated to address the evolving landscape of education, focusing on the latest advancements, innovative teaching methods, and the critical role of technology in shaping modern classrooms. The event will feature a diverse range of interactive workshops, specialized seminars, and keynote sessions led by esteemed educators and thought leaders. Participants can look forward to live demonstrations of cutting-edge educational tools and resources, hands-on learning experiences, and insights into emerging trends that promise to reshape the future of education.

A unique highlight of the Expo is the exhibition space, where leading educational institutions, publishers, and ed-tech companies will showcase their contributions to the world of learning. This platform offers educators and administrators an opportunity to explore new resources, network with industry experts, and gain fresh perspectives on enhancing the educational experience within their own institutions.

With something for everyone—students eager to explore new career paths, teachers seeking inspiration, and leaders interested in fostering community-driven change—the **Aurangabad Education Expo 2024** is more than just an event. It is a transformative journey, aimed at enriching educational practices, building connections, and inspiring a shared vision for the future of learning. Join us to discover, collaborate, and be part of a movement dedicated to creating a brighter, more inclusive educational future.

PRE-EVENT **ACTIVITIES** AURANGABAD EDUCATION EXPO 2024

Science Fair Workshop for Science Teachers :

Minds in Motion Foundation, in collaboration with MGM University, is hosting a seminar titled **"Understanding Science Fair and Scientific Research"** on October 14, 2024, from 11:00 AM to 2:00 PM at Einstein Auditorium, MGM University. Aimed at science teachers across Marathwada, the session will offer guidance on selecting topics, planning projects, and preparing for evaluations for the upcoming **Marathwada Level Science Fair 2024**. Teachers must bring a reference letter from their schools as per Zilla Parishad instructions. Certificates of participation will be awarded by the Foundation.

Falicitation Program From Minds In Motion Foundation :

As part of the prelude to the **Aurangabad Education Expo 2024**, a cultural and academic honors program has been planned to spotlight excellence in Urdu studies. This initiative aligns with the Foundation's ongoing efforts to celebrate linguistic heritage and promote literary talent.

Minds in Motion Foundation is hosting a special honors program on 9th November 2024, from 2:00 PM to 5:00 PM at Einstein Auditorium, MGM University, to recognize scholars who earned Ph.D. degrees in Urdu during 2023–24. The event will also felicitate young writers and poets with **Sipas Naama**, celebrating their literary promise. This initiative highlights the Foundation's commitment to promoting Urdu language, cultural heritage, and academic excellence as part of the Aurangabad Education Expo 2024.

PRE-EVENT **ACTIVITIES** AURANGABAD EDUCATION EXPO 2024

MTSE Prelim Exam - 2024 :

As part of the pre-event activities for the **Aurangabad Education Expo 2024**, the Minds in Motion Foundation, in collaboration with Mission Talent Hub, successfully conducted the first phase of the **Minds in Motion Talent Search Examination (MTSE)** Prelims on 24th November 2024. The initiative targeted students from **Classes 6 to 10**, aiming to identify young, goal-oriented learners across the **Marathwada region** and prepare them for a future in competitive examinations such as the **civil services**.

What made the **MTSE** unique was its structure, which closely followed the format of the **UPSC examination**, including sections that tested **analytical skills, general knowledge, logic, & comprehension**. Conducted at multiple well-coordinated centers, the exam saw enthusiastic participation from hundreds of students spanning urban and rural areas, showcasing a growing awareness of early academic readiness and structured learning. The smooth execution, fair evaluation methods, and encouraging student response positioned the **MTSE** as more than just a competition it became a movement to foster ambition, discipline, and purpose among the youth. The success of this prelim phase not only marked an academic milestone but also strengthened Minds in Motion's broader mission of cultivating leadership, excellence, and access to **quality education across Maharashtra**.

URDU BOOK FAIR AURANGABAD EDUCATION EXPO 2024

The **Book Fair 2024**, a flagship feature of the **Aurangabad Education Expo**, emerged as a grand celebration of literature, learning, and academic innovation. With an overwhelming response of over **5.8 lakh visitors**, the fair attracted students, teachers, parents, and book lovers from across the country. More than **₹60 lakh** worth of books were sold, making it one of the most successful educational book fairs in the region. Over **3,200 teachers** from various institutions explored a wide range of **educational tools and literature**. Featuring esteemed publishers and a pan-India readership, the fair significantly promoted a culture of reading, teaching excellence, & educational enrichment.

SCIENCE FAIR 2024

AURANGABAD EDUCATION EXPO 2024

The **Science Fair** held on the fifth day of the **Education Expo Aurangabad 2024** showcased the scientific talent and creativity of over 50 students representing more than 15 Urdu and English medium schools. Students presented a wide range of innovative projects including hydroponic systems, caffeine-free drinks made from date seeds, ferrofluid-based toxin filtration from blood, and parabolic solar energy models. The event was graced by Prof. Dr. Sanjay Harke (MGM University) and Dr. Abdul Wasey Mohammad (PhD in Geophysics, Co-Founder of Inspire), who applauded the students for their research-driven approach and originality. The top honors went to Roots & Wings English School (1st place), Foster English School (2nd place), and Burhani National Urdu Primary School (3rd place). The fair played a crucial role in encouraging scientific inquiry and promoting experiential learning among school students.

MTSE 2024

AURANGABAD EDUCATION EXPO 2024

Held on 21st December 2024 during the seventh day of the **Aurangabad Education Expo, MTSE 2024** followed a two-stage UPSC-style format a written test and an interview session—to assess students from Grades 6 to 10. The exam ran from 11:00 AM to 5:00 PM, testing academic understanding, reasoning, and communication skills.

Three winners from each grade were selected based on cumulative performance, making a total of fifteen top scorers. The Prize Distribution Ceremony honored the winners with medals, trophies, & certificates, graced by Mr. Muhammad Adnan Qureshi (District Waqf Officer), Mrs. Shaikh Hamna Tehrim (Superintendent, Registration Department), & Mr. Syed Firasat Hussain Wajahat (Superintendent, Internal Audit & Qazat Department, Maharashtra State Board of Waqf). The event successfully encouraged competitive spirit & leadership among students statewide.

STORYTELLING COMPETITION AURANGABAD EDUCATION EXPO 2024

The **Storytelling Competition 2024**, held as a pre-event to the **Aurangabad Education Expo**, provided a vibrant platform for students to express creativity and enhance language skills. Divided into three categories **Classes 3 to 6**, **7 to 9**, and **10 to 12 (Review Writing)** the competition featured stories in both English and Urdu, highlighting themes of morals, emotions, and social issues. Participants were trained through a dedicated seminar focusing on narrative skills, voice modulation, and stage presence. The final round showcased outstanding performances, judged for creativity, clarity, and impact. Winners from each category were felicitated, and the event was praised for fostering confidence, public speaking, and communication among students across Marathwada.

AWARD CEREMONY FOR PRINCIPALS - BHARAT BHUSHAN SAMMAN 2024 AURANGABAD EDUCATION EXPO 2024

The **Bharat Bhushan Samman 2024**, a distinguished highlight of the **Aurangabad Education Expo**, served as a grand tribute to exemplary school principals whose visionary leadership has led to measurable improvements in student outcomes and academic excellence. Organized in collaboration with the Igniting Dreams of Young Minds Foundation, the ceremony honored **30 principals** from across Marathwada for their outstanding contributions to education, innovation, and institutional growth. Message from
Dr. Ankushrao N. Kadam
Hon'ble Chancellor, MGM University
Secretary, Mahatma Gandhi Mission Trust

Education Expo 2024, organized by the Mind in Motion Foundation, is a commendable initiative that plays a pivotal role in advancing educational opportunities, especially for minorities and underserved communities. By addressing the unique challenges faced by these groups, the Expo ensures access to resources, guidance, and innovative tools that empower individuals and open pathways to success. What sets Education Expo apart is its community-centric approach. Under the leadership of the Mind in Motion Foundation, it brings together educators, policymakers, industry leaders, and local communities to foster a collective effort toward educational improvement. This collaboration highlights the importance of shared responsibility in building a more equitable and inclusive future. Such initiatives remind us of the power of working together to make education a tool for transformation, not just for individuals, but for society as a whole. Education Expo 2024 exemplifies this vision, and I commend the Mind in Motion Foundation for its continued dedication to this cause.
